

New Braunfels Outer Loop Study: Communication Log

Name	Contact Information	Date	Time	Issue	Response
Verna Hall	915 Gruene River Drive New Braunfels, TX 78132 830.620.7825 Vhall2@satx.rr.com	6/4/07	9:00 a.m.	-Would like to know if she lives within the study area.	Cale-10:09 a.m.-Called Ms. Hall back and let her know that she does not live within the study area. She asked if she was near the area and I told her that she was less than ½ mile from the area. She would like to be added to the mailing list and email list.
Joan Blanchard	6955 FM 482 New Braunfels, TX 210.824.8047	6/4/07	11:41 a.m.	-Would like to know if she lives within the study area. She said that she lives in Guadalupe County; but, pays taxes in Comal.	Cale-2:46 p.m.-Left Joan a VM. Called her back and let her know that she does not live within the study area; she is about ½ mile to the left of the study area on the outside of it.
Debra Canham	830.609.7651	6/4/07	1:17 p.m.	-Debra has property close to the outer part of the study area. She is currently in a court case with the public utilities commission over the LCRA transmission line placement. She is trying to gather information for the court case. She feels that if there is a good chance the outer loop could go through her property that her property value would increase. She said that if she has to let her land go, she wants to get the most for her money. She wanted to speak to the project manager. She would like to know the percentage of a chance that it could come through her property. Told her I would have Clint call her back.	Clint called Debra Canham back and discussed her concerns with her. Called her back June 5, 2007.
Davis Byrd	1408 Hoffmann Lane New Braunfels, TX 78130 Byrdman81@msn.com	6/5/07	9:01 a.m.	-Davis called and asked what the proposed route was and I informed him that at this point it is a 40-mile band around the city and that it is a study area at this point.	Davis asked to be added to the email/mail list for updates.
Charles Hohensee	861 Conrads New Braunfels, TX 78130 830.620.6407 cdhohensee@yahoo.com	6/5/07	9:51 a.m.	-Wanted to know how we are going to make property owners aware of the New Braunfels Outer Loop Study.	Told him we were in the process of obtaining the information and that we would be sending out emails, newsletters, etc. Charles would like to be added to the mailing list.
Robert Williams	830.557.5706	6/8/07	12:51 p.m.	Wanted general information.	
James Foerge	830.625.7877	6/20/07	1:24 p.m.	Wanted general information regarding the study.	

New Braunfels Outer Loop Study: Communication Log

Minna Farber	1360 Timber Wood Trail New Braunfels, TX 78132 830.625.7264	6/21/07	10:08 a.m.	-Asked if she is in the study area; told her that she was located within the study area. Ms. Farber also asked if it was being built soon and I told her that there were currently no funds available for the project, it is just a study at this point.	Add to mailing list.
David Munoz	830.608.1795 2722 Bear Creek Drive New Braunfels, TX 78132	6/21/07	12:05 p.m.	-Mr. Munoz wanted to know if he is within the study area and I let him know that he was inside the study area.	Add to mailing list.
Frank Bowman	300 Leisure Village Drive New Braunfels, TX 78130-8714 830.606.4000	6/21/07	2:37 p.m.	-Mr. Bowman called and wanted to know if he is in the study area. Let him know that he is.	Add to mailing list.
Rosa Caballero	231 Leisure Village Drive New Braunfels, TX 78130 830.606.4163	6/25/07	10:10 a.m.		6/25/07-Would like to be on the mailing list. Wanted information regarding public meeting tonight.
Partida Cruz	2647 SH 46 New Braunfels, TX 78130	6/25/07	10:30 a.m.		6/25/07-Wanted information on location and time of public meeting. Would like to be added to mailing list.
James R. Barber	Mission Hills Subdivision 865 San Fernando Lane New Braunfels, TX 78132 Jbarber847@aol.com Cell: 830.743.0109		3:14 p.m.	-Wanted general information and to be added to the mailing list.	
Karen McCallum	1038 Old Zorn Road San Marcos, TX 78666	6/26/07	10:30 a.m.	-Ms. McCallum would like to be added to the mailing list.	
Emily Coyne	830.627.1566	6/26/07	11:04 a.m.	-Ms. Coyne said that she lives in the Pinnacle off of Hoffmann Lane. She is concerned about the outer loop and I let her know that it is just a study at this point. There is no funding available for the project at this time.	

New Braunfels Outer Loop Study: Communication Log

Brian Chandler	bchandler@drennergolden.com	6/26/07		-Brian wanted me to email him a newsletter with a map. I told him that the newsletter contained a map.	6/26/07 4:54 p.m. I emailed Brian the newsletter.
Harvey Lee	810 Mountain Breeze New Braunfels, TX 78132 830.660.1533	6/29/07	10:09 a.m.	-Wanted to be added to the NBOLS mailing list.	
Betty Taylor	830.606.0528	6/29/07	11:01 a.m.	Linda Vela spoke with Betty and she requested general information.	

New Braunfels Outer Loop Study: Communication Log

Bill Malloy	830.620.0444	7/2/07	11:41 a.m.	Mr. and Mrs. Malloy wanted general information regarding the study.	
Cindy	braunfelsplace@greystar.com queen27@satx.rr.com 830.625.7878	7/3/07	9:29 a.m.	-Cindy wanted to know if Sky Trail was in the study area and wanted general information. Linda Vela spoke with her.	
Shirley Antonsen	830.629.2676 7860 FM 1101 Seguin, TX 78155-0204	7/3/07	10:52 a.m.	-Ms. Antonsen is upset regarding the proposed outer loop. She said that she heard that the loop could start in one to two years. I told her that this is just a study at this point. She said that the state donated land. I told her that yes, the land was donated. Developers will be required to donate the land if they want to develop the property. We will take any one who would like to donate the land. It is more cost effective that way.	

New Braunfels Outer Loop Study: Communication Log

Barbara Boydston	Lenard and Barbara Boydson 1219 SH 46 New Braunfels, TX, 78130-2718 830.625.6138	7/5/07	10:29 a.m.	-Would like to be added to the mailing list.	
Serapio Herrera	830.625.3626	7/5/07	11:00 a.m.	<p>-He called and asked for Steve Woodruff; I explained to him that Steve was on the Study Team and that he was located in another office and offered to give him the number and asked if there was something that I could help him with.</p> <p>-Mr. Herrera said that no one contacted him after the public meeting as he requested.</p> <p>-He said that Judge Scheel said that he could not help him, that he would have to contact the Mayor of New Braunfels because Mr. Herrera lived within the city limits.</p> <p>-They are stealing his property.</p> <p>-Asked for a letter with the names and ethnicity/diversity of the people who developed the "line" on the map. Mr. Herrera said that he was not a wetback and said that he did not want a call, he wanted a letter.</p> <p>-He lives off of SH 46 near Krause Lane. His property is commercial; he owns County Line Transmission.</p> <p>-Knows why the line zigzagged appears on the map-because Roy Linnartz with the Comal ISD said that Comal ISD owns the property.</p> <p>-Comal ISD owns property next to Mr. Herrera and they could go through that land. Mr. Linnartz said that the property has a "plate" saying that the property was once a singing school for the German's that lived in the area. Mr. Linnartz said that he went to the meeting May 30 and that the decision was made where the loop would be placed.</p>	

New Braunfels Outer Loop Study: Communication Log

				<p>-Everyone is scared of TxDOT and the City of New Braunfels. Mr. Herrera could appreciate it if this was a true study; but, the decision has already been made.</p> <p>-We are not living in the 1830's where the Texas Rangers come in and slaughter Hispanics for their land.</p> <p>-Mr. Herrera feels that everyone involved is "scratching each other's back."</p> <p>-Mr. Herrera said that he is a part of the community as well and he has rights. Mr. Herrera said that it is bad enough that Hispanics can't buy a house-this is my nest.</p> <p>-Mr. Friesenhahn owns property next to Mr. Herrera and has farmed the property for years that Comal ISD owns, he fenced it and it should technically be Mr. Friesenhahn's.</p> <p>-He said that Kevin Kennedy said that they are pretty much going to follow the route that New Braunfels has provided. Mr. Herrera said that he tried to hand Steve Woodruff a new map that he put together and that Mr. Kennedy took it before he could give it to Mr. Woodruff.</p> <p>-Mr. Herrera said that people are encouraging him to contact LULAC.</p> <p>-Felt that he could talk to Steve Woodruff because he was honest and young.</p> <p>-Would like to join a committee for the study.</p>	
Charles Kaplan	210.262.8839	7/24/07	10:15 a.m.	<p>-Asked for Kevin Kennedy.</p> <p>-I asked if there was anything that I could help him with. Mr. Kaplan asked for copies of the study area maps for the east and west side of the study area. He said that Mr. Kennedy said he would get them to him and he had not heard back.</p> <p>-Told him that I would find out and give him a call back.</p>	<p>7/26/07-Called Mr. Kaplan back and let him know that I could not provide copies of the maps. He was taken back because he said that he even asked the folks at TxDOT and they said there was no problem. I asked him if he was a developer and asked who he spoke with at TxDOT and he said that he could not remember. He said that he is a real estate investor and that he actually sold TxDOT the land that their field office is located on off of IH 35. He said that he does not even want the study area printed on the map and said that the shoot was perfect, it gave the aerial detail that would be useful in his business planning and properties. He is surprised that we are so hung up on not giving the map out and said that he would normally walk into the TxDOT office and just ask for it. He said that he is not trying to poach off of our work. I told him I would check again and get back with him. 7/27/07-We will not give out his maps. Called Mr. Kaplan on 7/27/07 to let him</p>

New Braunfels Outer Loop Study: Communication Log

					know that we will not be able to provide the maps to him.
Linda Rapp	210.279.0848 1178 Lone Oak Road New Braunfels, TX 78132	7/25/07	12:17 p.m.	-Ms. Rapp called and would like to know if they are going to take her land. She is building a \$200,000 home and needs to know. She said that Mr. Leonard Hitzfelder, the man that sold them their two acres, has a meeting with the state and would like to know who she can meet with. She said that her septic tank is near the fence line. I told her I would research and call her back.	7/26/07-Ms. Rapp called back before Clint had a chance to contact her. He spoke with her and informed her that she should attend all public meetings and that we are giving residents the opportunity to participate and provide comments, input and ask questions at these meetings. She was appeased. I called her back on 7/27/07 to request a good mailing address so that we could keep her informed and she told me that she went by the TxDOT field office in New Braunfels and spoke with a lady that told her the project was 20-30 years off. I will add her to the mailing list.
Mark Oliver	11845 Shadow Lane	8/15/07	1:45 p.m.	Mr. Oliver called because he is concerned about a platted area that he saw on a map at the public meeting. There are 27 acres behind his home that are vacant, that he runs cattle on. The landowner said that she does not know anything about it. She also gets an agricultural extension on her property because she allows him to run his cattle. He would like to know if he can help him. He lives at 11845 Shadow Lane off of 1863, off of Countryside Drive.	Spoke with Francine and looked at the area. I called Mr. Oliver back (1:50 p.m.) and directed him to contact Jocelyn Murphy with the City of New Braunfels at 830.221.4054. She could provide him more information.

New Braunfels Outer Loop Study: Communication Log

Mary Smith	Cell number: 830.708.5254	8/16/07	9:15 a.m.	Mary Smith is a real estate agent and is selling property located at 2574 FM 2722. She wanted to know if the property is located in the study area. I let her know that the property is in the study area. She asked if the loop would come to fruition and I told her that is was a study at this point and the study was scheduled to be complete in summer 2008.	
Jackie Singsaas	5189 FM 725 New Braunfels, TX 78130 Cell: 830.515.9201 Home: 830.626.3733	8/16/07	10:58 a.m.	Ms. Singsaas called to find out if there had been any new developments regarding the study. Wanted to know details regarding appraisal of her property and how the situation would unfold if the proposed loop went through her property. I spoke with Linda and she told me to direct her to the ROW office. I called Ms. Singsaas back and gave her contact information for Jerry Rivas. (210.615.6234). Also would like to be added to the mailing list. She also suggested adding an area to the website for landowners in the study area.	
Gloria Garcia	1621 FM 306 New Braunfels, TX 78132 830.625.4601	8/27/07	10:34 a.m.	Ms. Garcia wanted to know when the study would be complete. I let her know that the study was due to be completed in Spring 2008 and that we would have a route identified at that time. She asked to be added to the mailing list.	

New Braunfels Outer Loop Study: Communication Log

Tim Cronin	Caldwell Bankers 830.608.5436	8/29/07	12:25 p.m.	Mr. Cronin said that he spoke with Mary Kelly at the public meeting and she told him he could have a copy of the aerial maps for the east and west side of the study area. I told him that we could not provide that information. The maps were property of TxDOT. He said that he was not happy; but, understood. (NOTE: He sounded very much like Charles Kaplan, he asked the same questions.)	
Serapio Herrera		9/26/07		Mr. Herrera called and would like the names of the people who passed the 2005 MTP. I emailed him and let him know that he would have to contact the City of New Braunfels for that information.	
Jim Langford	830.625.2555	10/1/07	10:32 a.m.	Mr. Langford asked if the route will run through Swarlose Road. I informed him he was located in the study area. I also informed him of the public meetings October 9 and 11. He cut me off saying he would be attending one of the meetings. Also said he was sorry he woke me up.	

New Braunfels Outer Loop Study: Communication Log

Lupita Sutton	830.608.8954	10/4/07	10:58 a.m.	Wanted to have a copy of the Universe of Options map. I directed her to the newsletter on the website. She also works for NBU and attended the Pinnacle HOA stakeholder meeting.	
Ann Hrechtkio		10/4/07		Ann is a realtor in the area and has her personal home under contract for sale. She is very concerned that she could be hit with a lawsuit regarding the sale of her home. She would like to provide the buyer as much information as possible and has requested a map to attach to the paperwork for her home and would like to know how close the alternatives run to her home. I told her that it is a study at this point and that she is more than welcome to attend the public meetings October 9 and 11. She felt that was unfair to people who reside in the study area. She would like something in writing saying that she called for additional information and the info could not provide her with any information. I will check with Linda to find out what the protocol is regarding this request.	Clint will call her back 10/05.
Phyllis Schertz	830.626.8827 812 Elm Creek Road New Braunfels, TX 78132	10/4/07	4:33 p.m.	Ms. Schertz wanted general info.	

New Braunfels Outer Loop Study: Communication Log

Nolan Spect	830.625.8181	10/5/07	9:29 a.m.	Mr. Spect wanted to know if he could attend either meeting and I let him know that both meetings would be providing the same information.	
Barbara Boydston	830.625.6138	10/5/07	10:24 a.m.	Called and thought that she had missed the meeting. I let her know that the meetings were next week.	
Richard Legere	830.560.1951 6162 FM 725 New Braunfels, TX	10/5/07	11:40 a.m.	Mr. Legere called and wanted to know if he is located in the study area. His address is 6162 FM 725. I called him back and let him know that he is located within the study area.	

New Braunfels Outer Loop Study: Communication Log

Mrs.Garrison	830.625.5163 360 Waterway Pass New Braunfels, TX 78130	10/5/07	2:05 p.m.	Wanted to know if she is within the study area. I let her know that she is within the study area.	
Ernesto Solis	5606 FM 1044 New Braunfels, TX 78130 (830) 914-4108	10/5/07	3:54 p.m.	Ms. Solis called and wanted to find out if she is within the study area. I told she is in the study area and it will be best for her to attend one of the public meetings. She asked for information regarding her property: either to sell it or not. I told her at this time it is just a study and we do not know where the route is going to be located. I informed her of the upcoming public meetings and let her know there will be representatives from the consulting teams and TxDOT to answer any of her questions.	
Michael and Diane Allison	713.524.3443	10/5/07	4:55 p.m.	General information.	

New Braunfels Outer Loop Study: Communication Log

Larry Ferraro	830.860.5803	10/7/07	3:01 p.m.	General information.	
Mr. John Akin	512.476.6258	10/8/07	10:34 a.m.	Mr. Akin called and requested general information regarding the proposed outer loop. He said that he would not be able to attend the meetings and requested that I mail the information to him at his place of business. 515 Congress Ave, Suite 2024 Austin, TX 78701	
David Buchholz	972.931.4198/830.626.8817 or (830) 911 Krona Court New Braunfels, TX 78132 buchholz@satx.rr.com	10/8/07	10:42 a.m.	David called to say that he could not access the website. I sent him the pages from the website via email. Also wanted to be added to the mailing list.	

New Braunfels Outer Loop Study: Communication Log

Grace Pape (pronounced poppy)	830.914.2252 2708 Marion Road Marion, TX 78124	10/9/07	1:38 p.m.	Ms. Pape called to ask if she was located in the study area. I called her back and left her a message letting her know that she is not located within the study area.	
David Archterberg		10/9/07	3:00 p.m.	Wanted general meeting information.	
Loree Schrank	409.740.4642 lascheh@yahoo.com	10/10/07	10:57 a.m.	Mrs. Schrank called because her in-laws live n the New Braunfels area and are elderly. They are concerned about the loop and do not understand what is going on. The address of her in-laws is 3726 Morningside Drive, NB, TX 78132. I let her know that they are outside of the study area. The website was giving her problems so I emailed her PDF's of the website for her information.	

New Braunfels Outer Loop Study: Communication Log

Kevin Keller	830.237.2364	10/10/07	11/13 a.m.	Wanted general meeting information.	
Linda Rapp	210.279.0848 1178 Lone Oak Road New Braunfels, TX 78132	10/10/07	2:36 p.m.	Wanted to make sure we have her updated address. We do have it on file.	
Dale Hartman	830.515.4446	10/11/07	12:26 p.m.	General meeting information.	

New Braunfels Outer Loop Study: Communication Log

Leslie Skarovsky 830.629.0738		10/12/07	7:57 a.m.	Ms. Skarovsky called for general information. Her mother had attended the public meeting Tuesday evening and was upset. I referred Ms. Skarovsky to the website and also informed her she could view the maps by contacting the local TxDOT office and scheduling an appointment. Her mother is concerned about Ms. Skarovsky's inheritance. (Susan Ott's daughter)	
Connie Krause	512.259.1355 m.krause@mail.utexas.edu	10/12/07		Mrs. Krause called to ask for a copy of the comment card. I emailed her a copy.	
Iris Schumann	830.625.5656 1079 Fredericksburg Road New Braunfels, TX 78130	10/12/07	1243	Ms. Schumann called and wanted more information regarding the NBOLS. She has property in the northeast portion of the study area and was unable to attend the public meetings. Steve Perez took the message. 10/15/07-Called back and left Iris a msg.	

New Braunfels Outer Loop Study: Communication Log

Leon Hitzfelder	830.625.4625	10/12/07	2:21 p.m.	Wanted to know when the maps would be on the website. Let him know they should be up within the next two-three weeks.	
Mrs. Ott		10/12/07	3:37 p.m.	Clint Ray took this call.	
Mr. Harvey Lee	830.625.0810 810 Mountain Laurel Drive New Braunfels, TX 78132	10/17/07	3:28 p.m.	Interested in viewing a detailed map, particularly the area where the transmission lines cross the FM 306 substation.	I called Mr. Lee back and left him a message: he could contact the TxDOT office in New Braunfels and schedule an appointment to view the maps at his convenience.

New Braunfels Outer Loop Study: Communication Log

Frank Noble	979.479.5926	11/7/07	9:45 a.m.	Mr. Noble wanted to know how far down FM 306 the study area expanded. I let him know it ended just below River Chase subdivision. He asked if he could view a map and I gave him the TxDOT area office phone number and let him know he could schedule an appointment with the office.	
Bernice Reynolds	210.215.6929	11/9/07	2:34 p.m.	Ms. Reynolds called to find out if the Lone Oak MAPO would still take place because the New Braunfels Herald-Zeitung ran a story stating all meetings had been rescheduled. I let her know the meetings the article was referring to are the TWG/CWG meetings.	
Dr. J.P. Forney	830.606.9111 ext. 3535 113 Hill Haven Drive New Braunfels, TX 78132	11/20/07	1:16 p.m.	Dr. Forney called to find out how close the viable routes are to his home. I researched the question and his residence is located in between B5 and B23, approximately 1,200 feet from both. He wanted to let me know his preference is the new option that was unveiled at the MAPO for the Lone Oak area: B23. Need to contact Dr. Forney once the maps are on the website.	

New Braunfels Outer Loop Study: Communication Log

<p>Mark Friesenhahn 281.660.5445</p>	<p>Home: 2941 Sandcastle Lane Houston, TX 77057</p> <p>Farm: Comal Pecan Farm 231 High Creek Road New Braunfels, TX 78132</p> <p>Phone: 713-952-2207 (home) 281-654-7385 (office) 281-660-5445 (cell) 830-609-0168 (farm) 262-953-9268 (fax-1), 281-654-1835 (fax-2 at room GP6-477)</p> <p>e-mail: friesenhahn@aol.com (home e-mail) mark.j.friesenhahn@exxon mobil.com (work e-mail)</p>	<p>11/20/07</p>	<p>3:18 p.m.</p>	<p>Mark forwarded me an email with the following information: We (my family members and I) noticed that the NBOL study group had spotted on the maps my parents home (originally my grandfather's home) and the old Cotton Gin brick engine room and tall chimney, but the maps did not include my two historical homes which are on property adjacent/contiguous to and north of my parents home and cotton gin. My two homes are of the same age and vintage as the home Mom and Dad live in, and need to be added to the maps as well.</p> <p>Addresses/descriptions:</p> <p>My grandfather, Jacob Friesenhahn's house and Cotton Gin: 22900 Old Nacogdoches; my Dad and Mother, Roman and Julia Friesenhahn, live there. This property is adjacent to and east of Comal Elementary School. This home and farm is between FM 482 and Old Nacogdoches Rd. During the 1st half of the 1900s, Jacob and brothers Vitus and Ferdinand ran a cotton ginning and corn shelling operation on this property.</p> <p>My two homes: owned by my great-uncles, Vitus and Ferdinand Friesenhahn, both brothers of Jacob Friesenhahn, are located off Old Nacogdoches Rd, north on High Creek Rd. Addresses are: 170 High Creek Rd and 195 High Creek Rd, respectively. The Vitus Friesenhahn property still has an old Blacksmith shop and molasses cooking bldg that I maintain. (Note: The above addresses show on MapQuest, etc.).</p> <p>Please add these properties to the study maps.</p>	<p>Forwarded the info to Clint Ray, Sofia Torres, Francine Guerra, Rudy Bazan, and Linda Vela.</p>

I took the information and gave it to Francine Guerra. The children's home is identified on the study map.</p>	

New Braunfels Outer Loop Study: Communication Log

Mr. Tom Cunningham	830.620.0764 2608 Silver Star Lane New Braunfels, TX	12/17/07	8:17 a.m.	Mr. Cunningham called with questions regarding the LCRA transmission lines and the proposed route. I let Mr. Cunningham know someone from KCI would be calling him back today.	
Mark Marini	830.708.9453 14711 King Arthur Court North Royalton, OH 44133 Lost Canyon Subdivision 3696 FM 306 New Braunfels, TX	1/4/08	1: 48 p.m.	Mr. Marini called and spoke to Linda Vela concerning his property. He stated he was going to build a house on the property	
Fred Faris	830.227.3491 5235 River Oaks Drive New Braunfels, TX 78132	1/4/08	1:54 p.m.	Mr. Faris called and asked when the corridor would be presented. I gave him the information regarding the Open House.	

New Braunfels Outer Loop Study: Communication Log

Randy Shirley	830.221.5963 4110 SH 46 New Braunfels, TX 78132	1/16/08	11:18 a.m.	Mr. Shirley called to inquire about the B23 alternative. He attended the MAPO meeting and said the alternative looked like it had been tweaked compared to the Short List of Options map posted on the website. I told him I would inquire with our engineers and get back with him.	Called Mr. Shirley back and let him know the option had been tweaked and that the final recommendation would be revealed at the Open House scheduled for Thursday, January 31, 2008. The option had moved 200-300 feet south of what was shown at the MAPO meeting. (Left msg) 1:40 p.m.
Gerard Raderstorf	830.629.4839 210.685.3355 11845 FM 1863 New Braunfels, TX 78132	1/16/08	11:40 a.m.	Mr. Raderstorf called and was trying to locate his property on the Short List of Options map. I researched his address at 11845 FM 1863 and his property is approximately ½ mile from the nearest alternative shown on the Short List of Options map. He asked if a swath of land would be purchased on either side of the property and I let him know this is purely a planning study at this point; there is no money to fund this project at this time.	
Ms. Richter	830.620.8567 1367 Country Ridge Drive New Braunfels, TX	1/16/08	2:34 p.m.	Ms. Richter called to ask where the alternative shown on the Short List of Options is crossing in regards to her location. I let her know the crossing is north of Country Hills North.	

New Braunfels Outer Loop Study: Communication Log

Lorenz Bading	830.625.1191 6201 FM 1101 New Braunfels, TX 78130-7109	1/16/08	2:37 p.m.	Mr. Bading called to apologize for missing the CWG #5 meeting and asked that the materials be mailed to him.	Mailed him the handouts for CWG #5 01.18.08.
Richard Weichold	830.608.1108	1/16/08	2:42 p.m.	Mr. Weichold lives in Guada Coma Estates and wanted to know where the alternative shown on the Short List of Options crosses SH 46. I let him know if crosses in between Ewald and Pfeiffer.	
Gail Kaven	830.606.1236 1021 Rose New Braunfels, TX 78132	1/16/08	2:47 p.m.	Ms. Kaven lives at the intersection of Bunker and Rose. She called to inquire about how far the alternative shown on the Short List of Options is from her home. I let her know it was approximately ½ mile away. She expressed frustration with the transmission lines and the proposed outer loop. She asked when TxDOT would present the recommendation; she would like to form petitions and attend the meetings. She asked me to specifically give her the dates and I told her to contact Comal County to get the schedule of the Commissioner's Court dates.	

New Braunfels Outer Loop Study: Communication Log

April Hughes	830.626.7272 752 Pinnacle Parkway New Braunfels, TX	1/16/08	3:03 p.m.	Francine Guerra responded to Ms. Hughes. Ms. Hughes were the route crossed FM 306 and IH 35. Informed Ms. Hughes the alternative shown on the Short List of Options crossed in between the two Country Hill subdivisions.	
Nancy Krueger	830.606.054 2641 Westmeyer New Braunfels, TX 78130	1/16/08	3:19 p.m.	Ms. Krueger called with several issues: -She received seven newsletters and was upset; she felt that was a waste of taxpayer's money. I let her know it was human error and this was the last newsletter that would be mailed out for the study. Told her I would go back and review the database. -Said the study team did not respond to her question on the comment cards.	Called and left a msg @ 3:52 p.m. Friday, January 18, 2008. Gave her my name and number and told her I would try to contact her again Monday, January 21, 2008. -Reviewed the database for Krueger and deleted duplicates. -Said all correspondence was supposed to have TxDOT logo-told her it was only the newsletter and she said that is not what was stated. -Told her Linda Vela and myself will contact Wayman Krueger Monday, January 21, 2008 in the morning at his cell number: 830.708.2549.
Ms. Erwin	830.609.3224	1/16/08	4:57 p.m.	Ms. Erwin called to find out where the alternative shown on the Short List of Options crossed in relation to the Country Hills subdivision. I let her know if crosses north of the Country Hills North subdivision.	

New Braunfels Outer Loop Study: Communication Log

Roy Garrison	830.625.5163 360 Waterway Pass New Braunfels, TX	1/17/08	8:19 a.m.	Mr. Garrison called to ask where the alternative shown on the Short List of Options crossed on SH 46 in relation to his residence. I let him know the alternative crosses in between Ewald and Pfeiffer.	
Ms. Garrison	830.625.5163 360 Waterway Pass New Braunfels, TX	1/17/08	9:30 a.m.	Ms. Garrison called and stated her husband drove the area and asked if the alternative was crossing the Guadalupe Valley Cemetery. I let her know it is crossing the area west of Ewald.	
David Wenzel	830.221.2331	1/17/08	10:56 a.m.	Mr. Wenzel called to ask about the recommended corridor; I let him know if would be unveiled at the Open House scheduled for January 31, 2008.	

New Braunfels Outer Loop Study: Communication Log

<p>Scott Brown</p>	<p>830.214.4031 830.625.0422 1500 FM 1863 New Braunfels, TX Tri-City Distributing</p>	<p>1/17/08</p>	<p>12:28 p.m.</p>	<p>Mr. Brown owns 1,000 acres of land on the west side of the study area (Tri-City Distributing). He is concerned about the proposed outer loop and wanted to come in and discuss the loop or drive his property. He prefers the blue alternative.</p>	<p>01.18.08 - Called Mr. Brown back and let him know the recommendation has already been developed; he is more than welcome to view the recommendation at the open house and provide comments at that time. He will be out of town that day. I invited him to contact the study team when he is available and we would be able to review the map with him.</p>
<p>Cheryl Vanderhorst</p>	<p>830.620.5250</p>	<p>1/17/08</p>	<p>12:44 p.m.</p>	<p>Ms. Vanderhorst called and wanted to know how far the option shown on the Short List of Options is from Havenwood. I let her know it is approximately one mile south of the main entrance.</p>	
<p>Barbara Sullivan Bluegreen Corp</p>	<p>830.608.1366 830.608.1288</p>	<p>1/17/08</p>	<p>1:52 p.m.</p>	<p>Ms. Sullivan called because she is trying to plot the portions of the Short List and they are not lining up; she would like to know why. I let her know perhaps she is printing at the wrong dimensions. She will be attending the Open House to view the final</p>	

New Braunfels Outer Loop Study: Communication Log

Earl Clendennen	830.660.9027 5734 FM 1044 New Braunfels, TX 78130	1/17/08	2:00 p.m.	Asked about the recommended corridor; let him know he could view it at the open house. Asked what option runs closest to his property; let him know the green option is closest.	
Diane Branch	561.352.4323 561.881.1555 hm 561.712.6571 wk branchwpbdb@hotmail.com	1/17/08	4:46 p.m.	Ms. Branch called from Florida. She wanted to know if the Short List of Options impacted her property. She gave me the GEO ID 730281000200 (24 acres) (Elvira Branch-mother-vacant land). There is an option going through the middle of her property. She also listed two other GEO ID's that belonged to her family. 730013000101 (172 acres-part of original homestead-registered historic site-asked if we could check with historic agency)-dipping into the property and 780663000100 (163 acres)-does not hit. Said we need to check with historical society within Comal County. Arnold Ranch is her family ranch-part of initial homestead that came over in the 1800's from Germany. Diane is going to email me additional information on her properties.	On Indian burial grounds, original families with Prince Salms. Solenberg 1842 homestead? Ask how they identify potential historic landmarks. Gottlieb Arnold Solenberg museum? 1842-
Diane Scharnhorst	830.606.4653 830.822.3696 640 Old Bear Creek Road New Braunfels, TX St. Jude's Children's Shelter 652 Old Bear Creek Road New Braunfels, TX	1/18/08	9:33 a.m.	Ms. Scharnhorst called and wanted to know how close the B23 was to her property. I let her know it was bordering her property; however, she needs to attend the Open House to view the recommendation. She expressed concern about the option going through the children's home.	

New Braunfels Outer Loop Study: Communication Log

Sandy Buck 830.905.7392	115 Pleasant Lane New Braunfels, TX 78132	1/18/08		Ms. Buck called and requested information regarding the value determination of her home. I referred her to ROW.	
Caroline Weston	985 Allen Ave New Braunfels, TX 78130	1/18/08	10:03 a.m.	Ms. Weston would like another copy of the newsletter.	Mailed her two copies 01.18.08
Mitchell Sacco	830.625.7028	1/18/08	11:21 a.m.	Dr. Secco called to inform the study team about a new, large, platted subdivision located in C1 as well as two large, expensive homes. He said the lots are six acres. He feels C2 is the best option to go with because there is nothing located within the area. He is also concerned to see city rezoning signs up in the area and questions what is taking place and if the city is involved. I let him know the city requested the study and is involved in the process. I also invited him to attend the open house to share additional comments on the recommended route.	

New Braunfels Outer Loop Study: Communication Log

Lynn Wohlfahrt	281.558.7118 281.558.0701 – work?	1/21/08	9:32 a.m.	Lynn Wohlfahrt called to find out what roads the two alternative are in between on the north end of IH 35. I let her know the south end is Stolte and the north end is Watson Lane.	
Tina Sloan	830.708.0519	1/21/08	12:33 p.m.	Ms. Sloan would like to know where the red alternative crosses over SH 46 on the west side. I let her know it is in between FM 2722 and Rock Hill.	
Mr. Calvin Kunz	830.624.4886	1/21/08	1:11 p.m.	Mr. Kunz called an asked for me to read him the legend for the Short List of Options map. He stated he tried to look at it utilizing a magnifying glass and was still unable to decipher the writing.	

New Braunfels Outer Loop Study: Communication Log

Mr. Doug Ekels	830.608.4496	1/21/08	4:40 p.m.	Owns a business along IH 35 and would like to know what historic landmark is next to his business. The star is a railroad depot.	
Debra Canham	830.609.7651	1/23/08	1:23 p.m.	Ms. Canham called and requested to view the study recommendation map. Linda Vela explained to her we could not allow her to view the map prior to the open house.	
Dr. Martin Levett	830.481.8210 mlevett@satx.rr.com ; slevett@satx.rr.com	1/30/08	9:51 a.m.	Dr. Martin Levett called with questions and concerns regarding his property. He stated he purchased his property in December and was told at the public meeting in October the proposed route would not go over his home. He said he was assured the routes would be reduced in number; not added to. He went on to say "we" misled and lied to people at the public meeting because the study team had since added B23 and did not post on the website until January. He is also upset because he stated the MAPO was not open to the public. I explained that the homeowners in the area where contacted and an article appeared in the New Braunfels Herald Zeitung the day of the meeting. He stated we should have opened it to the public and I let him know the public had every opportunity to attend. He stated the study website had incomplete and	

New Braunfels Outer Loop Study: Communication Log

				<p>misleading information and the website is legally binding. He stated he did not want this to get ugly; but, that it probably would. He also said the home located at 628 Old Bear Creek Road was not identified on the maps on the study website. Mr. Levett said on a personal basis, land was hard to find in New Braunfels at a reasonable price and the study has paralyzed him from building his dream home; he has considered letting the bank foreclose on the property because of the addition of B23. B23 has devastated two families. He also let me know he is Chief of Medicine at McKenna Hospital and a surgeon with the Marine reserves.</p>	
Ms. Antonsen 830.629.2676		2/1/08	8:45 a.m.		
Katherine Krause	<p>830.660.1219 2787 FM 46 S. New Braunfels, TX 2817 SH 46 S. kkrausse@thescooterstore.com</p>	2/1/08	8:30 a.m.	<p>Ms. Krause called and is concerned about the proposed outer loop. She said she has family on the property and the land has been in her family since 1958. There is a private lane called Jahsen Lane. Addresses of family members on the property include: 2813 FM 46 South and 2878 SH 46 South (Betty Jahnsen-mother) The private lane used to be an old stagecoach road, Ms. Krause said the family was able to get TxDOT to abandon the road and turn it back over to the family. Ms. Krause is currently working on getting the property deemed historic.</p>	

New Braunfels Outer Loop Study: Communication Log

Carla Sievers	830.609.2656 h 830.660.0170 c 1272 Phieffer Lane (East)	2/1/08		(55 acres) Ms. Sievers called and stated she did not attend the first two public meetings for various reasons; however, the recommended corridor is now going through the middle of her property. She said she will fight the outer loop and wanted to know what she could do regarding the recommendation. She said she has three houses and several barns on her property. She requested to speak to the project manager. She also asked how she could submit comments and I let her know I was documenting the phone call and I asked her to send her comments in through the study website as well.	
Dan Timmerman	830.897.1136	2/1/08	11:46 a.m.	Mr. Timmerman wanted to know in relation to his property where the recommended corridor will be going. The study team let him know it is going northeast of his property.	
Dr. Martin Levett		2/1/08	9:21 a.m.	Dr. Levett called to let me know he did not receive my email with the Freedom of Information contact information. I resent the email. He also let me know he found out Ms. Hrechco included a letter from TxDOT at the title company when she sold him her house and he found that to be very interesting.	

New Braunfels Outer Loop Study: Communication Log

Sharon Levett	830.237.5889	2/1/08		Ms. Levett called and wanted to know how the study team identified the homes on the maps. I let her know homes are identified using aerial maps and parcel information from the counties.	
Katherine Krause	2787 FM 46 S. New Braunfels, TX 2817 SH 46 S. kkrause@thescooterstore.com	2/1/08		Called to discuss her property in regards to the proposed outer loop. She sent in an email to the website with information pertaining to her property. She is in the process of have it documented at historic property.	
Charles Honessee 210.833.3967		2/1/08	1:40 p.m.	Linda Vela took this call.	

New Braunfels Outer Loop Study: Communication Log

Ms. Levett		2/1/08	4:05 p.m.	Mrs. Levett called to let me know she would be driving in a copy of her Freedom of Information Act paperwork to the TxDOT offices and asked if I needed a copy. I let her know RJRA was a consultant and the paperwork needed to go to TxDOT only.	
Linda Perine	830.964.3737 Rivera4fun@gmail.com	2/4/08	9:51 a.m.	Ms. Perine called and requested copies of the study reports. Let her know she would need to contact David Bullerwell at 210.615.6458 to request those copies.	
Rocky Renken	210.213.4195 600 Old Bear Creek Road New Braunfels, TX	2/4/08	2:07 p.m.	Linda Vela spoke with Mr. Renken.	

New Braunfels Outer Loop Study: Communication Log

Carla Sievers		2/4/08	4:05	Ms. Sievers called to speak with Clint Ray.	
Carlton Soechting	830.237.3841.	2/5/08	8:23 a.m.	Mr. Soechting owns five acres at 1780 Lone Oak Road, New Braunfels, TX, 78132. He let me know he is presently affected by the recommended corridor. He went on to ask, in my opinion, how much property TxDOT would take from him for the proposed outer loop. I let him know I could not answer that question. He asked if he could sell his property once the recommended corridor had been adopted, I let him know he could contact the Right of Way office at TxDOT (210.615.0111) and ask that question. Mr. Soechting also let me know the house is in a subdivision where the lots are five acres and he has a septic tank.	
Diane Scharnhorst	830.606.4653	2/5/08	3:11 p.m.	Ms. Scharnhorst called to ask for a copy of the study recommendation map; I let her know she could obtain it from the study website or she could contact the local TxDOT office to view the map in person.	

New Braunfels Outer Loop Study: Communication Log

Jeff Kraft	830.303.5348	2/5/08	3:21 p.m.	Clint Ray took this call.	
Katherine Krause		2/6/08	8:20 a.m.	Ms. Krause called to say she was faxing over documents pertaining to her property. I have received the documents and filed.	
Mr. John Prather		2/6/08	8:52 a.m.	Called to find out if there would be any additional public meetings. I let him know there would not be any more meetings and he could submit comments through the study website. He is a member of the Guadalupe Trout Unlimited organization.	

New Braunfels Outer Loop Study: Communication Log

<p>Gerald Bazan GVEC 830.857.1170</p>		<p>2/6/08</p>	<p>2:34 p.m.</p>	<p>Mr. Bazan requested a copy of the map to use as an overlay for the utilities. I referred him to Clint Ray.</p>	
<p>Elaine Reed Keller-Williams Realty 830.832.7981</p>		<p>2/6/08</p>	<p>3:08 p.m.</p>	<p>Ms. Reed requested the website address for the New Braunfels Outer Loop Study.</p>	
<p>Jessica Saucedo 830.624.6109</p>		<p>2/6/08</p>	<p>3:29 p.m.</p>	<p>Ms. Saucedo asked if any information had been released since the Open House and asked when the recommendation is official. I told her TxDOT will make presentations to the City of New Braunfels and Comal and Guadalupe Counties this month and she could contact those entities to find out when the presentations will take place.</p>	

New Braunfels Outer Loop Study: Communication Log

<p>Katherine Krause 830.625.7960</p>		<p>2/8/08</p>	<p>3:37 p.m.</p>	<p>Ms. Krause called to say she found the deed from Mr. Fritzmyer to Christine Soggy to several other Soggy family members to her family August 27, 1958. She stated her property has four large Indian burial grounds that have been undisturbed, a big pen where mules were kept, a large barn (1862) and a building that was used to house people. Ms. Krause is in the process of having her property/structures on her property deemed historic. Ms. Krause also asked if her property is deemed historic in the next few weeks; will it make a difference in where the proposed corridor goes; I asked her to check with the conservation society and the City of New Braunfels.</p>	
<p>Sally Irwin</p>	<p>2770 Lakeshore Drive Canyon Lake, TX</p>	<p>2/12/08</p>	<p>11:00 p.m.</p>	<p>Ms. Irwin called because she wanted to know where the recommended corridor was in relation to her home at Canyon Lake. I let her know Canyon Lake was not in the study area.</p>	
<p>Brenda Allen 830.660.2272 c</p>	<p>keywrdfic@aol.com</p>	<p>2/12/08</p>	<p>2:45 p.m.</p>	<p>Ms. Allen called because she could not download a map from the website. I let her know it would take a few minutes because the file is large or she could save it to her desktop and open the map.</p>	

New Braunfels Outer Loop Study: Communication Log

<p>Philip Schulz Wk:512.232.0155 Hm: 512.447.3568</p>	<p>1035 Lakeside Pass New Braunfels, TX</p>	<p>2/18/08</p>	<p>1:40 p.m.</p>	<p>Mr. Schulz called upset because the recommended corridor is going through his property. He has a problem with the corridor missing all of the new development and destroying people's property that has been in their family for more than a century. He said the old-timer's don't have a need to cross the Guadalupe River and if they do, it is not out of their way to travel to SH 46 or IH 35. He asked way the route south of the Bandit was eliminated. I let him know I would have a representative from KCI contact him to answer specific question's regarding decisions made regarding the east side of the study area. He felt like the study team did not take people's comments or concerns into consideration; asking why no build is not an option.</p>	<p>Steve Woodruff, KCI, contacted Mr. Schulz 02.19.08.</p>
<p>Melanie Taylor 210.655.1806</p>	<p>28870 Country Drive New Braunfels, TX 78130</p>	<p>02/19/08</p>	<p>10:05 a.m.</p>	<p>Ms. Taylor called and asked if the alternative was going through her house; she could not determine if it was hitting her home on the map. I let her know the recommended corridor was going to the right of her subdivision.</p>	
<p>Jimmy Maxwell 830.620.5728</p>	<p>1432 Krause Lane New Braunfels, TX</p>	<p>2/19/08</p>	<p>10:11 a.m.</p>	<p>Mr. Maxwell called and wanted to know if there where any updates to the study. I let him know TxDOT would be presenting the recommendation to the City of New Braunfels in February or March of 2008, he could contact the City to find out when TxDOT is on the agenda.</p>

<p>Mrs. Ott 830.625.8310</p>		<p>2/28/08</p>	<p>8:41 a.m.</p>	<p>Mrs. Ott called and asked if the study team had anything to do with the meeting taking place this evening to combat the proposed outer loop. I let her know it was not a meeting the study team organized.</p>	

New Braunfels Outer Loop Study: Communication Log

Susan Shirley Menzel 832.483.8427		3/6/08	3:07 p.m.	General information.	
Richard Cattilini 909.463.2369		3/13/08	10:23 a.m.	Mr. Cattilini called to asked where the proposed loop was in relation to several lots he was in the process of purchasing in Havenwood at Hunter's Crossing. I told him the neighborhood is outside of the proposed corridor. I also directed him the study website to look at the map.	
Keith Richter 210.232.6400 210.651.3671		3/17/08	9:27 a.m.	Mr. Richter called to find out if his property is affected by the recommended corridor. His property is located at Youngsford and Altwein (on the corner facing Altwein) and he has property on Altwein as well. He could not supply a physical address for the properties. He said the property is registered to Betty, Lisa or Keith Richter.	Left Message at 4:10 p.m. I called him back and let him know from what we could tell; the property was located outside of the recommended corridor and on the edge of the study area.

New Braunfels Outer Loop Study: Communication Log

Mary Medellin	830.832.4148 1348 Krause Lane New Braunfels, TX	3/27/08	1:31 p.m.	Ms. Medellin called and said she had not attended any of the public meetings regarding the outer loop and had received the letter for the MAPO and asked if she needed to attend. I let her know she received the invitation because revisions are located in the immediate vicinity of the property deeded in her name and she should plan to attend. She said her husband gets the mail and that she just saw the flyer for the open house.	
Terry Cox	3462 Westmeyer Road New Braunfels, TX 830.221.2099	3/31/08	10:58 a.m.	She spoke with Sofia Torres and Francine Guerra. Ms. Cox called to ask about historic stars on her property. She said there are no historic structures on her property. She wanted the stars removed. KCI was notified about the call	
Clint Parker	210.828.5050 Grubb & Ellis Co.	4/2/08	1:45 p.m.	Mr. Parker's company represents property at SH 306 and Riverchase. He asked if we had updated the website since the open house and I let him know it would be updated this evening. I also let him know about the town hall meeting taking place tonight.	

New Braunfels Outer Loop Study: Communication Log

Mitchell Sacco	830.625.7028	4/2/08	2:57 p.m.	Wanted to know why C1 was chosen vs. C2. Clint Ray spoke with Mr. Sacco.	
Jim Langford	830.625.2555 1381 Schwarlose Road New Braunfels, TX 78130	4/3/08	1:55 p.m.	Mr. Langford called to let the study team know the proposed corridor should be moved approximately 3,000 feet behind his home. He said if the study team was to do this; it would impact less homeowners, five barns and a two year old home. The new home is located at 1745 Schwarlose Road, New Braunfels, TX, 78130. He will be sending a letter and a map of his suggestions. He also asked what the distance will be between the edge of the road and the ROW edge. I let him know I would find out and call him back.	
Clint Parker	210.828.5050 Grubb & Ellis Co. Clint.parker@grubb-ellis.com	4/3/08	2:06 p.m.	Mr. Parker called to request a copy of the presentation that highlighted the Rick Shelton development. I let him know that I did not think that was our presentation and I would check into it and let him know.	Called Mr. Parker back Monday, April 7, 2008, and left a message for him to contact the county for a copy of that presentation.

New Braunfels Outer Loop Study: Communication Log

Serapio Herrera	830.625.3626	4/3/08	2:21 p.m.	Mr. Herrera called to commend the study team on a good, solid study. Said he attended the town hall meeting and thought it went well. He believes the study team is headed in the right direction and backs the study 100 %. He said he believes Ms. Pfeiffer down the road is okay with the study. He said Mr. Rivera did a great job as well at the town hall meeting.	
Melissa Myers	830.627.0641	4/4/08	4:36 p.m.		
Faye Steaples 830.832.5466		4/10/08	10:29 a.m.	Ms. Steaples stated her fiancé has a home located at 152 Greta, New Braunfels, TX, 78130 and asked what would happen to their home if the proposed outer loop came to fruition, who would purchase it, etc. I told her I would mail her a Relocation Assistance booklet from TxDOT that would answer those questions for her. She went on to say they are two days away from purchasing land within the proposed corridor and wanted to know what they should do. I let her know that I did not have an answer for her. I let her know it is a planning study at this point and it will be presented to the counties and the city and it would be up to their discretion whether or not they would adopt the recommendation into their MTP. She asked if there was a date for the presentation, I let her know not at this point.	

New Braunfels Outer Loop Study: Communication Log

Sharon Levett	830.237.5889 2379 Oak Pebble New Braunfels, TX 78132	4/10/08	10:50 a.m.	Ms. Levett called and asked if the hotline was closed after February 11, 2008. I told her it was not and she said she assumed it was because that was the last day listed to accept comments from the open house. She also asked about the email she had sent and contacting Valerie Collins and I let her know she would have to contact the Texas Department of Transportation directly to schedule that meeting.	
Sharon Levett	830.237.5889 2379 Oak Pebble New Braunfels, TX 78132	4/10/08	10:55 a.m.	Ms. Levett called again and asked if the MAPO had been rescheduled and I let her know it had not been rescheduled at this time.	
Angela Stahl	210.979.9871	4/10/08	5:30 p.m.	Ms. Stahl called to ask if the house she was preparing to purchase was located within the proposed corridor. The home is located at 6120 West SH 46, New Braunfels, TX, 78132. I let her know in looking at the map it looked like the property is located on the edge of the study area outside of the proposed corridor.	

New Braunfels Outer Loop Study: Communication Log

<p>Janet Smalley 830.481.0533</p>				<p>Ms. Smalley called to ask when the minor changes and to what sections of the proposed outer loop would be made available to the public. She stated at the town hall meeting the study team is in the process of completing this task. I let her know if would be made available after the MAPO, which is currently not scheduled and told her she could check back in a week or two.</p>	
<p>Becky Wood Brandfield Properties 830.620.8179</p>		<p>04/21/08</p>	<p>11:08 a.m.</p>	<p>Ms. Wood has two houses listed on Apex in the Pinnacle. 611 Apex and 535 Apex, NB, TX, 78132. She wanted to know if the proposed loop ran through the homes. I let her know the homes are currently outside of the loop.</p>	
<p>Kelly McDermott</p>	<p>210.655.1185 Marston Environmental</p>	<p>04/29/08</p>	<p>913</p>	<p>Ms. McDermott called to request the shape file of the recommended corridor for the proposed outer loop. I told her she would have to contact Jesse Hayes at TxDOT.</p>	

New Braunfels Outer Loop Study: Communication Log

Diane Scharnhorst	830.606.4653	5/06/08	10:24 a.m.	Ms. Scharnhorst called because she heard B23 was possible being moved back to the previous alignment. I let her know that as far as the study team is concerned, they are not aware of this taking place. She said Jerome Schumann went to the City of New Braunfels and that a woman there told him he was "off the hook, the alignment would not go through his property." She asked why the City told him this if it was not true and I told her I do not have an answer for that question. She went on to say Sharon Levett has an appointment with Texas Monthly and that "we" messed with the wrong person when "we" went through Ms. Levett's property with the proposed outer loop.	
Bennett Closner	210.732.2131 bennett@closner.com	5/22/08	10:32 a.m.	Mr. Closner asked if he could purchase a map of the proposed outer loop; I let him know it was not for sale. He then asked if he would ever have the opportunity to have a copy of the map; other than what was on the website. I let him know I would find out and email him back.	
Sharon Levett	830.237.5889	5/27/08	11:26 a.m.	Ms. Levett called to ask when and where the next MAPO(s) were going to be scheduled. I let her know nothing has been scheduled at this time. She also asked if RJRA was involved in the fence bordering Mexico; I let her know not that I was aware of.	

New Braunfels Outer Loop Study: Communication Log

Robyn	281.550.7877	05/29/08	12:32 p.m.	Robyn called to ask if the green line on Portion A was the recommended corridor; I let her know if was and told her it was up to the City of New Braunfels and Comal and Guadalupe counties to choose to adopt the proposed corridor into their respective major thoroughfare plans. They are looking at property in Copper Ridge.	
Tom Cunningham		6/17/08		Mr. Cunningham called to inquire about the modification made to the proposed outer loop. He wanted details regarding the change and how it would affect him. He stated he did not want to attend the meeting if it would be a waste of time. I let him know he was contacted because his property was affected and he wanted to know how. I let him know I could not share that information prior to the meeting as it would not be fair to other stakeholders in the area. He pressed on and I turned him over to Clint Ray. Mr. Ray directed him to KCI.	
Mary Trevino	1360 Krause Lane	6/17/08		Ms. Trevino called on behalf of her parents who live at 1360 Krause Lane (property listed under Sofia Torres). She stated they would be on vacation next week and requested details and how the modification would affect her property. I directed her to contact KCI.	

New Braunfels Outer Loop Study: Communication Log

Sharon Levett	830.237.5889	6/17/08		Ms. Levett called to ask if she was sent a letter for the MAPO meetings taking place next week. I let her know she was not contacted because her property was not affected by the modification made to the proposed outer loop. She went on to say Greg Malatek was on the radio and announced everyone within 800 feet of the corridor would be notified about the MAPO. She also wanted to advise of her address change; she has subdivided her property. Her new address is 620 Old Bear Creek Road.	I have made the change of address in the database.
Manuel Zamora	1384 Krause Lane New Braunfels, Texas	6/18/08		Mr. Zamora has property located at 1384 Krause Lane and received the invitation for the MAPO. He said the loop was supposed to run behind his property and there is also a cemetery located behind his property. He asked how this would affect his property; I directed him to contact Kevin Kennedy or Steve Woodruff as they were the engineering firm working on the east side of the study area.	
James Hardy 210.846.2006	1192 Altwein Lane New Braunfels, TX 78130			General information.	

New Braunfels Outer Loop Study: Communication Log

<p>Nancy Krueger 830.708.1549 c 512.392.5877 w</p>		<p>6/25/08</p>	<p>2:19 p.m.</p>	<p>Mrs. Krueger called to ask about the MAPO meetings that had been advertised and I explained the modifications and how stakeholders were contacted. She started to ask about funding the project and I let her know it was not funded, she went on to ask about pass thru funding and I told her she needed to contact the TxDOT SAT District office.</p>	
<p>Jennifer Ethridge 830.620.5437</p>	<p>1432 Timberwood Trail New Braunfels, TX 78130 Methridge003@satx.rr.com Country Hills Subdivision Husband: Marcus</p>	<p>6/26/08</p>	<p>10:41 a.m.</p>	<p>Mrs. Ethridge called to ask about the MAPO meeting last night and went on to say she was never contacted for any of the meetings in the last year. She also said she emailed the website and never received a response. I told her I would research her claims and call her back. She also said the property adjacent to hers (4-5 acres) was not notified. I asked her for the address and she could not provide one. (It is owned by Country Hills Partners)</p>	<p>I let her know I did receive her email and responded to her email on XXX. She is correct, she is not in the database; however, I let her know mail was not the only means of advertisement for the meetings. I let her know we placed legal notices, changeable message signs, printed in numerous newspaper articles, posted on the study website.</p>
<p>Dan Timmermann</p>	<p>870.935.7620</p>	<p>07/01/08</p>	<p>9:50 a.m.</p>	<p>Mr. Timmermann called to say he owns property in the study area and wanted to know when the City of New Braunfels will be adopting the recommendation. I let him know he would have to contact the City and/or Comal County for that information.</p>	

New Braunfels Outer Loop Study: Communication Log

John Engelhardt	830.935.2245	07/01/08	10:53 a.m.	Mr. Engelhardt called to ask how the modification affects his property; he was on vacation the week of the MAPO and received the invitation. His property is located at 3643 FM 306, New Braunfels, Texas. I told him I would look up the address and call him back. He was insistent he would call me back.	The modification has moved south of the transmission line onto Mr. Englehardt's property. 3:27 p.m. Mr. Engelhardt called back and I let him know the proposed route is south of the substation. He asked how many feet and I consulted Sofia Torres for the information. It is 400 feet south of the substation. Mr. Engelhardt said his attorney will be contacting the study team.
Sharon LeVett	830.643.0133	07/01/08	11:47 a.m.	Ms. LeVett called to say she discovered her back door neighbor's have two homes not identified on the study area map. She will get a copy of the map in which the homes are identified and email the map to the study team.	
Joyce Evans	830.626.8157	07/01/08	12:13 p.m.	Ms. Evans called because she wanted it on record she is opposed to the proposed New Braunfels Outer Loop. She also asked what the deadline was for sending in comment cards from the MAPO meetings held June 25 and 26. I let her know the deadline is July 7, 2008.	

New Braunfels Outer Loop Study: Communication Log

Diane Scharnhorst	830.606.4653	07/01/08	1:39 p.m.	Ms. Scharnhorst called because she would like it on record she opposes the proposed New Braunfels Outer Loop. She wants to know why the route has been moved onto her residential property and away from the City of New Braunfels 1999-2005 Major Thoroughfare Plan route that has already been approved by the city council.	
Byron Alexander	512.212.4224	07/01/08	2:08 p.m.	Mr. Alexander called to state on the record he is strongly opposed to the proposed outer loop. He fails to see the need; we need to build up, not out. He is also opposed to creating additional sprawl.	
Olivia Mosley (child)	830.606.4653 (Ms. Scharnhorst phone #)	07/01/08	2:16 p.m.	Ms. Mosley called to say she does not want the New Braunfels Outer Loop. She does not want her house taken away from the outer loop. Ms. Mosley lives on a farm and does not want her animals to be sold.	

New Braunfels Outer Loop Study: Communication Log

David Schroeder	512.585.9488	07/01/08	2:47 p.m.	Mr. Schroeder called to log his opposition to the proposed outer loop; especially the western portion. He feels it impacts environmentally sensitive areas. He said it would be bad for New Braunfels to have the city spread out. There is no need for the outer loop.	
Bill Higdon	830.964.5565	07/01/08	3:15 p.m.	Mr. Higdon called to document his opposition to the New Braunfels outer loop. He does not think New Braunfels needs a loop, not even 50% close. The loop will cause harm to the environment. People come to New Braunfels to get away from the congestion. They like the one lane bridges.	
Mrs. Richard Schumann	830.626.0097 535 Elm Creek Road New Braunfels, TX Called from Diane Scharnhorst: 830.822.3696	07/01/08	3:35 p.m.	Mrs. Schumann called to say she lives on her father in law's 200 acre ranch in an RV. She stated her home is not identified on the study map. She said her brother in law, Jerome Schumann Jr. lives in a manufactured home (next to an artesian well) on the property as well and the two of them have not been counted. She said they get their mail at 535 Elm Creek Road and share the main driveway. There are three families full time on the property. Jerome Schumann Sr.'s home is historic, built in the 1920's; but, the loop is not touching his home.	

New Braunfels Outer Loop Study: Communication Log

Judy Godinez	830.624.1511 127 E. Edgewater Terrace New Braunfels, TX 78130	07/01/08	3:41 p.m.	Ms. Godinez called to say she opposes the proposed outer loop. New Braunfels is a family and recreation oriented location. The loop counters this function. We need to have green space. We are better off without fast moving highways. The loop is backwards thinking; need to look at mass transportation options. She went on to say this is a waste of tax payer's money and she would like to see a discussion about mass transit. She stated she believes this is a short term measure and it will not change the finite problem.	
Melissa Mosley	830.822.2965 640 Old Bear Creek Road New Braunfels, TX	07/01/08	3:51 p.m.	Ms. Mosley called to say she is opposed to the proposed outer loop.	
Drew Jones	512.496.2564 513 Pecan Grove Austin, TX 78704	07/01/08	3:53 p.m.	Mr. Jones called to say he is opposed to the proposed outer loop.	

New Braunfels Outer Loop Study: Communication Log

Meagan Scott	512.784.4373 PO Box 401234 Austin, TX 78704	07/01/08	4:04 p.m.	Ms. Scott called to say she is opposed to the outer loop.	
Teal Harris	830.708.1281 120 Tillinghast New Braunfels, TX 78130	07/01/08	4:06 p.m.	Ms. Harris called to state she is opposed to the outer loop. She went on to say in this day and age, there are other alternatives. We need to be responsible in how we grow; New Braunfels is unique and does not need to be cookie cutter.	
Carole Davis	830.606.4705 2802 SH 46 N New Braunfels, TX 78130	07/01/08	4:28 p.m.	Ms. Davis called to say she is opposed to the outer loop.	

New Braunfels Outer Loop Study: Communication Log

Mike Lopez	801.317.2975 3196 N 1350 West Pleasant View, Utah 84414	07/01/08	4:33 p.m.	Mr. Lopez called to state he is opposed to the outer loop. His sister-in-law lives in New Braunfels and he feels this will destroy what she has out there and her view. It will also destroy environmentally sensitive areas and make a lot more noise.	
Chris Lopez	435.863.5059 3196 N 1350 West Pleasant View, Utah 84414	07/01/08	4:38 p.m.	Ms. Lopez called to state her opposition for the proposed outer loop. She has family in the area and thinks it will be a bad idea. There is already a lot of congestion in the area.	
Janice Hurley	512.322.2713 2702 Catalina Drive Austin, TX 78741	07/01/08	4:45 p.m.	State opposition to the proposed outer loop.	

New Braunfels Outer Loop Study: Communication Log

Ingrid Faris	210.413.1167 4139 Cardinal New Braunfels, TX 78130	07/01/08	4:52 p.m.	Outraged at the whole idea. The loop would ruin the entire ambience of the entire city. It would destroy Landa Park and we already have an outer loop and we don't need a loop going through town.	
Jerome Schumann Sr. calling from Diane Scharnhorst's phone		07/01/08	4:55 p.m.	Mr. Schumann: I don't want the road in the area. I am hard of hearing; I am 97 years old and live at 535 Elm Creek Road. My family has owned the property, parents and grandparents and children and grandchildren living on the property. Diane Scharnhorst: Sr. is the 4 th generation to live on property. They are one of the founding families in New Braunfels. Quarry on property, was used to build the Comal County Courthouse and the St. Peter and Paul Catholic church. Sr. came over talking and yelling. Read in the paper they are talking about the major thoroughfare plan and he is upset.	
Carol Erwin	830.609.3224	07/01/08	6:12 p.m.	Ms. Erwin left a voice message stating she is opposed to the outer loop because it is taking her home. She also feels it is not necessary.	

New Braunfels Outer Loop Study: Communication Log

Evadna Evans		07/01/08		Ms. Evans left a voice mail stating she is from Trenton, New Jersey and she is against the outer loop. She feels it will spoil nature of the area and is worried about the environment.	
Lyn Gruen	830.708.3640	07/01/08	8:37 p.m.	Ms. Gruen left a voice mail stating she is opposed to the outer loop and hopes that "we" won't allow it to happen.	
Mary Ann Odorfer	830.660.1847	07/01/08	10:01 p.m.	Ms. Odorfer left a voice mail stating she is opposed to the outer loop.	

New Braunfels Outer Loop Study: Communication Log

Susan Curtis	830.708.0625	07/02/08	9:38 a.m.	Ms. Curtis called to state she has property on Lone Oak and is opposed to the proposed outer loop.	
Cynthia Owens	830.625.1302 150 Talisman Drive New Braunfels, TX 78132	07/02/08		<p>Ms. Owens called to voice her opposition to the outer loop. She said she lives near the proposed route and does not like it. She listed the following reasons:</p> <ul style="list-style-type: none"> • Need to preserve green space • Highways threaten the water supply • New Braunfels does not have the infrastructure to support the proposed loop (not enough schools, etc.) • Pollution • People want to work closer to their place of employment because of rising gas prices-it will not be a trend to live in the county 	
Jane Miller	830.629.2193 509 Lakeview Blvd. New Braunfels, TX 78130	07/02/08	10:42 a.m.	Ms. Miller called to state her opposition to the outer loop. She went on to say Jacqueline Russell, who resides with her, also opposes the outer loop. Ms. Miller hopes the loop will not be built and said it is not necessary and an insult to the environment. She also stated she feels the loop will tear up the land that does not need to be touched.	

New Braunfels Outer Loop Study: Communication Log

Dorthea Chessher	830.629.4262 300 Lincoln New Braunfels, TX 78130	07/02/08	10:49 a.m.	Ms. Chessher called to state she is opposed to the outer loop.	
Deborah Thoede	830.624.2382 1325 Timberwood Trail New Braunfels, TX 78132	07/02/08	11:10 a.m.	Ms. Thoede called to state she is opposed to the outer loop big time. She said she went to the East side MAPO and the person leading the meeting was so rude. She went on to say he would not let people hold the microphone and was insistent, he would get aggravate easily, the whole thing was childish. She also stated he would not answer people's questions.	
Kathy Leber	830.625.8215 185 Pantermuehl Road New Braunfels, TX 78132	07/02/08	12:27 p.m.	Ms. Leber stated she wanted to call and voice opposition to the outer loop. She feels it is important for TxDOT to do environmental studies. She went on to say this impacts the Pantermuehl Ranch based on one house.	

New Braunfels Outer Loop Study: Communication Log

Carol Metheny	830.534.8435-cell 110 Sky Country New Braunfels, TX 78132	07/02/08	12:46 p.m.	Ms. Metheny called to voice her opposition to the outer loop. She went on to say people need to think about the environment and water over the recharge zone and concentrate on the infrastructure and less on development. Utilize more foresight. Do not build a house on a shaky foundation.	
Yvonne Browning	830.627.0430	07/02/08	1:27 p.m.	Ms. Browning called to voice her opposition to the proposed outer loop. She went on to say all of her neighbors are opposed too. She state the project would go behind her house and she would be able to see, hear, smell and see it. Ms. Browning lives in Country Hills.	
Sondra Voges	830.481.7439	07/02/08	2:52 p.m.	Ms. Voges called and asked when the website would be updated. I let her know it should be up by the end of the week.	

New Braunfels Outer Loop Study: Communication Log

Luella Taylor	830.237.6848 c 940.262.0940 h Property located at 1110 FM 2722, New Braunfels, TX 78132 Mailing address: 9508 Sandalwood Drive, Denton, Texas, 76207	07/02/08	3:40 p.m.	Ms. Taylor called to express her opposition to the outer loop. She also wanted to know where the proposed loop would be located in relation to her property. I let her know it was not going across her property; but, was clipping 639 Old Bear Creek Road. She said her neighbor had told her the proposed route was going through her property. She has two cabins and a work shed located on the property. The property is listed under LHT Properties, LLC, in a trust for her children.	
Melba and Arlan Fisher	830.627.1902 1369 Timberwood Trail New Braunfels, TX 78132	07/02/08	3:59 p.m.	Ms. Fisher called to register her opposition to the bypass at her location in Country Hills subdivision.	
Becky Hauptman	830.629.0976	07/02/08	4:53 p.m.	Ms. Hauptman called and asked who set up the study hotline; I let her know it was set up to answer questions pertaining to the New Braunfels Outer Loop Study. She then asked who I was and who I worked for; let her know my name and the name of the company. She asked who was working on the study; let her know RJRA, KCI, and TCB. She went on to ask who I worked for and suggested I have an interest in the loop being built. She went on to say she is totally opposed to the outer loop, it is a travesty to destroy the hill country in this way. It will lead to air, and noise pollution, destruction of endangered species and is not necessary. She is totally opposed, she moved to New Braunfels from the city to get away from the same thing and can't imagine anyone in the area is welcoming the loop.	

New Braunfels Outer Loop Study: Communication Log

Marilyn Altwein	830.303.1876	07/02/08	6:21 p.m.	Called and could not understand vm.	
Cindy Vernon	830.609.6922	07/02/08	10:26 p.m.	Ms. Vernon called to register her opinion as she is opposed to the outer loop.	
Steve Stolinski	1373 Timberhill Drive	07/03/08		Mr. Stolinski was told to call this number to protest the outer loop. I don't want the outer loop.	

New Braunfels Outer Loop Study: Communication Log

Mike Ziegler	160 Pantermuehl New Braunfels, TX 78132	07/03/08		Mr. Ziegler wanted to call and state his opposition to the outer loop.	
Michael	316 W. Ireland Seguin, TX 78155	07/03/08		The outer loop is a bad, outdated idea. I am concerned with impacts to the local economy and ecology. Not to mention people who will be directly impacted. I would like to see a more sensible plan.	
Don Plahy	830.620.8484 655 Old Bear Creek Road NB, TX	07/03/08	8:57 a.m.	Not against the outer loop, my concern is if you did the study right. I think it should go through Buffalo Spring Road, going through Ingram Ranch, north of the proposed route. I like the location of the loop because I would be outside of the loop and outside of the city limits. I want to know if the study was done correctly, not politically. I didn't go to the meetings because it was a waste of time, just eyewash.	

New Braunfels Outer Loop Study: Communication Log

Dolores Gongora	830.708.3644 1384 Timberhill Drive NB, TX 78132	07/03/08	9:22 a.m.	Ms. Gongora called to state her opposition to the outer loop. She thinks FM 306 and SH 46 should be extended.	
Laura Stolinski	830.708.0055 1373 Timberhill Drive New Braunfels, TX	07/03/08	9:27 a.m.	Called to state opposition to the outer loop. Moved to the country for peace and quiet and the loop will destroy my property value. Totally frustrating.	
Gail Bretzke	830.625.7623 5346 River Road New Braunfels, TX 78132	07/03/08	9:44 a.m.	Ms. Bretzke said she is definitely opposed to it because of all the environmentally things that are going to happen would prefer improving existing roadways. Lives west of IH 35.	

New Braunfels Outer Loop Study: Communication Log

Ronald Ulrich	4042 FM 2538 Marion, TX 78124	07/03/08	9:53 a.m.	Mr. Ulrich called to state his opposition to the proposed outer loop around New Braunfels.	
Edward Bradshaw	830.620.0154 1340 Hoffmann Lane New Braunfels, TX 78132	07/03/08	9:55 a.m.	Mr. Bradshaw called to say he is opposed to this outer loop. I think it is a waste of money; all it is going to do is spur more development.	
Marci French	830.627.1212 1384 Timberhill Drive New Braunfels, TX 78132	07/03/08	10:01 a.m.	Ms. French called to state her neighborhood is not supporting the outer loop. She is concerned about impacts to property values and traffic. Not sure there has been enough thought and planning put into all of the options.	

New Braunfels Outer Loop Study: Communication Log

Mildred Schumann	830.608.9533 184 East Lincoln Street New Braunfels, TX 78130	07/03/08	10:36 a.m.	Ms. Schumann called to state her opposition to the outer loop. She stated it is not environmentally, historically, or neighborly correct.	
Marion Borchers	830.708.3388	07/03/08	10:49 a.m.	Mr. Borchers is an attorney calling on behalf of Mr. Englehardt. LV spoke with him and referred him to Jesse Hayes at TxDOT. She also let him know all exhibits pertaining to the study are posted on the study website.	
Susan Busby	830.629.1232 1383 Timberhill Drive New Braunfels, TX 78132	07/03/08	11:06 a.m.	We don't want the loop. Understood nothing to be done about Alligator Creek and we have already had flooding problem. We already have water problems when it rains and problems are not being addressed and it is going to cause a lot of problems. We have no interest in having the outer loop. Alligator Creek is a main creek that floods the area; have to close Hoffmann Lane and FM 1101 when it rains. We have water in our house. We would have to build some sort of dam which would cause problems for our other neighbors.	

New Braunfels Outer Loop Study: Communication Log

Polli Barnes	830.608.0661 512 S. Academy New Braunfels, TX 78130	07/03/08	11:23 a.m.	Ms. Barnes called to state she is not nuts about the outer loop. The City needs to explore the way they want to grow, need to study growth and growth patterns and see what is best and I am not sure it is an outer loop. She went on to say she thinks there should be a community work shop. I let her know we had a community work group in place throughout the study and she could find that information on the study website. She was not aware of the group or the website and said the citizens of New Braunfels find out about things after the fact. She stated the City should have sent out notices to all of the citizens regarding the study. She can not commit to the outer loop.	
Ed Devine	214.952.8779 1434 Windmill Lane Mesquite, TX 75149	07/03/08	11:30 a.m.	Kin in New Braunfels, desperately oppose the outer loop, especially is used for toll road.	
Jill Schubert	830.626.1341 778 Pinnacle Parkway 78132	07/03/08	11:33 a.m.	Calling state opposition to the outer loop. I live in one of the neighborhoods affected, we have wildlife out here. My husband is from here and we wanted to live in a small community and want to keep it that way.	

New Braunfels Outer Loop Study: Communication Log

Melissa Parker		07/03/08	11:45 a.m.	Ms. Parker called and stated she could not submit her comments through the website; I let her know she could fax them in and gave her the fax number.	
Ellen Moore	210.481.5057 Building home at Canyon Lake	07/03/08	11:46 a.m.	State opposition to the outer loop as a toll road.	
Katie Julian	519.421.1125 442 River Crest Drive Woodstock, Ontario N4S5W4	07/03/08	11:52 a.m.	Tourist been coming here for years and don't want to see New Braunfels change.	

New Braunfels Outer Loop Study: Communication Log

Gerald Schubert	830.624.1341 778 Pinnacle Parkway NB, TX 78132	07/03/08	11:54 a.m.	<p>Opposed to the loop:</p> <ul style="list-style-type: none"> • Take my property value down' • Moved to Pinnacle because it was peaceful area and the loop will take away from all of that • I believe there is a better alternative to use, Conrad or Hunter road. I understand it takes one million dollars to move the power line and there are roads available with more access. • I hope it does not go through. 	
Kurt Leonhardt	830.643.0656 476 Academy NB, TX	07/03/08	12:16 p.m.	<p>Against the outer loop:</p> <ul style="list-style-type: none"> • Sensitive environmental areas • Improve current arteries • Use existing roads 	
Sean Nave	808.429.4189 800 Three Mile Creek NB, TX 78130	07/03/08	12:20 p.m.	Voicing opposition to the outer loop.	

New Braunfels Outer Loop Study: Communication Log

Jennifer Graham	830.629.2793 404 Mount Joy NB, TX 78130	07/03/08	12:26 p.m.	Wanted to voice opposition to the outer loop. I feel there is so much growth in our little town feel outer loop is going to bring more development to our area. I am concerned about other people who have property. Concerned about water issues of people moving in above the Edwards Aquifer and all of the pollution that will bring. I say this because I was born and raised in NB and it seems out of control. I think you can try to control progress.	
Steven Parker	830.609.3802 580 Suncrest Drive NB, TX 78132	07/03/08	12:30 p.m.	Calling voice opposition against outer loop, especially in our area around Hoffmann Lane. I disagree with crossing at Hoffmann Lanes, should use existing roadways like Fm 306 and FM 1102. I also disagree with this being developer driven, they drive something like this for more development.	
Wayne Rahe	830.609.1369 150 South Seguin NB, TX 789130	07/03/08	12:38 p.m.	Voice opposition to the outer loop. Don't want to see beautiful hill country and rolling hills destroyed. My mother's deathbed wish was to protect her property and the loop will go right through the middle of the land and destroy all of it. Can't replace 300 year old Oak trees and rolling hills.	

New Braunfels Outer Loop Study: Communication Log

Dianne Voges	830.629.3832 8815 Barbarossa Road NB, TX 78130	07/03/08	12:46 p.m.	Voice to the outer loop. I feel that they keep saying the loop won't be developed if people don't sell the land. I think once they designate this area, it will promote growth, look at loop 1604 in San Antonio. NB will keep growing and growing, don't like the fact they are taking the farm land. We don't have enough green space as it is, less green space and more development. I am against that.	
Gerald Raderstorf	830.629.4839 11845 FM 1863 NB, TX 78132	07/03/08	1:08 p.m.	I am totally against the road coming through, less than ½ mile from the road. Rock quarry is making a mess of the roads. Don't think we need one will bring in additional development tax base is already too high, drive my taxes up will cause pollution. 1863 will end up being main hub between 281 and SH 46, already too much traffic. Used by bikers and motorcycles. Don't need excess traffic. That sums up.	
Harvey Lee	830.625.0810	07/03/08	1:22 p.m.	Opposed to the outer loop near his subdivision. He lost one home near Loop 610 in Houston and another near the Sam Houston toll road	

New Braunfels Outer Loop Study: Communication Log

Hylmar Karbach	830.606.0737 Mailing address: 15 Trail View Property: 3215 FM 306	07/03/08	2:06 p.m.	Don't feel we need the outer loop for another 150 years; think the loop is being built for the trucking industry to get from Seguin to Boerne. Would like to find out when the final route will be decided. Feels the study screams TxDOT attitude.	
Helen Newson	830.326.9634	07/03/08		Opposed to the outer loop.	
Robert Chastain	830.627.0000 558 Suncrest Drive	7/03/08	3:03 p.m.	No purpose for the outer loop, there is no need to go around ruining nature of New Braunfels and the aquifer. Took 1,000,000 San Antonio to get Loop 1604 and New Braunfels is not where near that.	

New Braunfels Outer Loop Study: Communication Log

Clint Jacobs	210.884.6546 122 Sky Country Drive New Braunfels, TX	07/03/08		110% opposed to the entire project will increase residential and commercial development ten-fold. TxDOT, New Braunfels, Comal County, Judge Scheel, Mayor Boyer, and Greg Malatek take 0% of what people want and 90% of people are against the outer loop.	
Brenda Hocke	830.643.0594 575 Atex Ave NB, TX 78132	07/03/08	4:00 p.m.	Oppose the outer loop. Feel the need that there should not be a big road going through the area it is going through.	
Gayle/Billy Weldy	281.492.1428 524 Academy New Braunfels, TX	07/03/08	4:06 p.m.	Opposes the outer loop.	

New Braunfels Outer Loop Study: Communication Log

Jean Johnson	281.493.5430	07/03/08	4:19 p.m.	Does not want traffic on Academy Street.	
Jerome Schumann		07/03/08	4:21 p.m.	Clint Ray took this call.	
Joe Hough	830.214.6043 321 Lost Farm	07/03/08	4:45 p.m.	Against the outer loop, is a bad idea and will put pressure on the aquifer. Does not understand why he has to call the hotline. There is lots of development. Not enough study done on the outer loop. The overgrowth could facilitate the outer loop. Believes the loop is money driven.	

New Braunfels Outer Loop Study: Communication Log

Charlene Isey	210.414.6597 6028 FM 482 NB, TX 78132	07/03/08	4:08 p.m.	Definitely against the outer loop even with revisions to the loop. I just don't see NB with it. Even with the population growth NB it does not make sense. There should be a bigger, broader study, like widening existing roadways. Doesn't see with so much opposition it can go forward. This outer loop seems to be for the purpose of the developers but does not meet the needs of the people and farmers. No outer loop.	
Suzanne	830.625.2138 536 Suncrest Dr NB, TX 78132	07/03/08	4:45 p.m.	Not for the outer loop.	
Sharon Levett	830.237.5889	07/03/08	4:55 p.m.	Wanted to know about Jerome Schumann's property and if the alignment would be moved as a result of the two homes on his property. She asked for Clint and he was unavailable and then asked for Cale; who was gone for the day. Francine passed on the information	

New Braunfels Outer Loop Study: Communication Log

Leslie Jacobs	830.708.2439 122 Sky Country New Braunfels, TX 78132	07/03/08		Wanted to voice opposition to the outer loop. Thinks this project is being crammed down our throats and it is all about money. We all moved outside the city limits and this will ruin our way of life out here.	
Greg Hauptman	830.629.0976	07/03/08	6:07 p.m.	Wanted to voice his opposition to the outer loop. It is not needed or wanted; it will change everything about New Braunfels.	
Annabeth Clarke?	830.626.1049	07/03/08	6:07 p.m.	Opposed to the outer loop.	

New Braunfels Outer Loop Study: Communication Log

David Owens	830.625.1302 150 Tallisman New Braunfels, TX	07/03/08	8:05 p.m.	Wanted to voice opposition to the outer loop. Shut it down.	
Rob Thorpe				Against the outer loop as a toll road; might like it in another fashion.	
Janice Ziegler	512.258.2805	07/04/08	2:17 p.m.	Wanted to voice opposition to the outer loop.	

New Braunfels Outer Loop Study: Communication Log

Cindy Ayers	830.228.4842	07/04/08	5:03 p.m.	Opposed to the outer loop in general. Definitely opposed to it being a toll road. It is ridiculous to expect people to pay to drive. I grew up around toll roads in Chicago and I am especially against foreign countries owning the roads.	
Bill Schuparte				Against the outer loop.	
Dana Williams				Opposed to the outer loop.	

New Braunfels Outer Loop Study: Communication Log

Tommy Leissner	830.626.8252	07/05/08	10:28 a.m.	Opposed to the outer loop. Not well studies-no environmental studies. Main concern is it was altered to accommodate a local dignitary building a home. I have not received any consideration at all to being moved.	
Molly Heynis	830.629.5956	07/05/08	10:33 a.m.	Opposed to the outer loop. Don't think the study was well thought through. It will encourage the wrong kind of growth-cause environmental problems such as noise and traffic pollution. That the outer loop is through the recharge zone is alarming to me. Don't feel the loop is in a place were needed.	
Chandler				Opposed to the outer loop. Better analysis needs to be done. Would like to see three alternatives put on the table before a decision is mad. Environmental studies need to be done in advance, can't wait 20-30 years to do these studies.	

New Braunfels Outer Loop Study: Communication Log

Paul Williams	830.620.0874	07/05/08	9:41 p.m.	Opposed to the outer loop.	
Julia Allison	830.625.0644	07/05/08	10:04 p.m.	Ms. Allison wanted to express her concern for the outer loop and is against the outer loop. She feels other studies need to be done and the study team should find alternatives other than going through farms and ranch lands.	
Bill Woods				Lives 25 miles down the road and is opposed to the toll road and especially the outer loop thing.	

New Braunfels Outer Loop Study: Communication Log

Nancy Stewart				Resident of Comal County and does not want the outer loop over the Guadalupe River or the aquifer and does not want it disrupting farms or historic areas. Please don't do this to us-we don't want it, take it off the table.	
Ilene Coop	303.423.3917			I live in Colorado and have family in the New Braunfels area and I am opposed to the outer lop that cuts through pastoral land.	
Could not understand the name.	830.964.6163 165 Falling Hills			Opposed to the outer loop.	

New Braunfels Outer Loop Study: Communication Log

Deborah Markgraf	830.303.3442 624 Baker NB, TX 78132	07/07/08	8:23 a.m.	Against the loop around New Braunfels.	
Michael	830.372.4468 316 Ireland Seguin, TX	07/07/08	8:46 a.m.	Question: Who provides the information to the website? Comment: Do not agree with the plans. There are other organizations out there that are looking at the bigger picture for New Braunfels. Horrible idea for the economy and ecology. Has called before and believes that the information given and on the website is not accurate.	Sofia replied that information given is by TxDOT, RJ Rivera Associates for the Westside of IH 35, and KCI for the eastside of IH 35.
Melanie Schulze	830.629.4245 1035 Lakeside Pass NB, TX 78130	07/07/08	9:03 a.m.	Oppose to the outer loop.	

New Braunfels Outer Loop Study: Communication Log

Tim Marlow	830.629.2941 935 Rosemary NB, TX 78130	07/07/08	11:02 a.m.	Concern about the environmental aspect especially going over the Edwards Aquifer. Concern about taking family ranches and their livelihood. Concern about taking family homes. The outer loop is an outdated plan. There is no need for a 40 yr old loop. Concern about loop going over the Guadalupe River and having all the pollutants going into the river during construction.	
Victoria Gonzalez	210.614.6388 5201 King Edward SA, TX 78229	07/07/08	11:05 a.m.	Strongly oppose the outer loop toll road that will cut Texas undeveloped areas around NB. Concern about the loop going over the Edwards Aquifer.	
Rosalinda Helwig	210.494.7270 727 Mesa Ridge SA, TX 78258	07/07/08	11:12 a.m.	Oppose outer loop around NB. Although she does not live in NB she travels through NB and believes it will be a toll road and she opposes that.	

New Braunfels Outer Loop Study: Communication Log

Julie Himze	512.665.4735 Country Hill Subdivision	07/07/08	11:50 a.m.	Against the NB Outer Loop. It's going right behind her house.	
Jennifer Marlow	830.629.2941 935 Rosemary NB, TX 78130	07/07/08	11:53 a.m.	Oppose outer loop. Believes it is not promoting smart growth. Will be decreasing green spaces that are for ranchers and farmers whose livelihood depends on the land.	
Susanne Cummings	830.606.3609 176 Pinnacle Parkway NB, TX 78132	07/07/08	12:41 p.m.	Oppose outer loop. Need to plan for smart growth not just growth. More study on Edwards Aquifer and the feasibility of the outer loop before the study is complete.	

New Braunfels Outer Loop Study: Communication Log

A representative of Country Hills Subdivision	Country Hills Subdivision	07/07/08	1:13 p.m.	The residents of Country Hills Subdivision are investigating the impacts of the outer loop to Alligator Creek and the Edwards Aquifer because both are very important to them.	The caller did not want to leave a name but the caller ID said: Evans, James R 830.626.8157
Richard Schumann	830.387.0255	07/07/08	1:39 p.m.	He lives on the Schumann property on B23. He called to let the study team know that he is supposed to get it registered by today.	Caller ID said Schumann Richard 830.387.0255
Richard Leber	830.625.8215 185 Pantermuehl Rd NB, TX 78132	07/07/08	1:51 p.m.	Oppose to Outer Loop. Finds it ridiculous that TxDOT spent \$1.5-2 million on the study with out an environmental study. Especially with the loop going over the Edwards Aquifer Recharge zone. And the widening of FM 306 plus the railroad overpass should elevate traffic but should be extend to Canyon Lake.	

New Braunfels Outer Loop Study: Communication Log

Sharon Levitt		07/07/08	2:21 p.m.	<p>Asked for Clint and Linda. She asked if Debbie Schumann called. She said she found that weird because she had talk to Mrs. Schumann and she was supposed to call. She asked if anyone was here to ask her questions. Her questions are about the location of the additional 2 houses on the Schumann property and she just wanted to know if Clint Ray received the information. She asked who it was that she spoke to on Thursday.</p>	<p>I told her they are out for the day. I said no I said I can try. I told her Francine.</p>
Barbara Harrison	PO Box 1537 Canyon Lake, TX 78133-0020	07/07/08	2:35 p.m.	<p>A lady called and told her to call because we are going through her property and ranches. She also believes the outer loop is not a good idea.</p>	
Sandra and Dwight Reeh	830.625.1948 5887 FM 482 NB, TX 78132	07/07/08	2:55 p.m.	<p>Basically concern how the outer loop will impact the environment and the atmosphere. She knows we need progress but she know the outer loop will bring change so she hopes the study is thought through.</p>	

New Braunfels Outer Loop Study: Communication Log

Joyce Evans	830.643.4356	07/07/08	3:35 p.m.	<p>Wanted to know if this call is being recorded. She asked if these comments along with the emails will be turned in to TxDOT</p> <p>She said good because I have friends who are trying to call but can not get through because the phones are busy and they don't have email.</p> <p>Thank you for writing my comment.</p>	<p>I said no. I am writing comments.</p> <p>I said yes.</p>
Tommy Newton	830.629.1967 1001 FM 2722 NB, TX	07/07/08	3:38 p.m.	<p>They can make better use of LP 337, FM 306, and SH 46 before they build the outer loop.</p>	
Barbara Anderson Randolph-Brooks Federal Credit Union	210.945.3300 A NB citizen and employee of Randolph-Brooks Federal Credit Union	07/07/08	3:41 p.m.	<p>Don't want the loop. Wasteful study. The loop is going through historic property and endangered species. She lives by a 4th generation NB resident whose grandchildren live with him and the outer loop is going through his property.</p>	

New Braunfels Outer Loop Study: Communication Log

Deborah Schuman	830.626.0097 535 Elm Creek NB, TX 78132	07/07/08	3:53 p.m.	<p>Called to make sure she registers the location of the double-wide and camp house on B23. She informed that she spoke to Clint on July 3rd about the two houses in question but wanted to make sure she register the houses before the end of the day. She asked if I wrote everything she said down.</p> <p>She asked where the study report will be located.</p> <p>Made the comment that the ranch has been in here family for years.</p>	<p>I said yes we are logging every comment into the study report.</p> <p>I said at there will be one study report at the TxDOT area office which is located along IH 35, but I was not sure when the study report will be available.</p>
Sabrina Scharnhorst	642 Old Bear Creek Rd NB, TX 78132	07/07/08	4:08 p.m.	<p>She has a NBU easement to build a home. It's in her husband's name, Jason Scharnhorst but it's in the middle of the green pathway B23. Against outer loop because she can't build her house.</p>	<p>Called from Diana Scharnhorst 830.822.3696</p>
Sandra Ross	830.609.0940 1031 Caprock NB, TX 78132	07/07/08	4:23 p.m.	<p>No outer loop.</p>	

New Braunfels Outer Loop Study: Communication Log

Mrs. Hebert-Scharnhorst	830.822.3696 640 Old Bear Creek Rd NB, TX 78132	07/07/08	4:51 p.m.	Don't want outer loop. Missing her house but clipping property of 3 generations. Her daughter can not build her house because the loop is going right through where she wants to build her home.	
Chris Jackson	830.708.3474 9751 River Road NB, TX 78132	07/07/08	4:57 p.m.	Disapprove the outer loop. The loop is bad for the environment and population does not support it.	
Leona Clark	830.609.2002 1348 Timberwood Trail New Braunfels, TX 78132	07/08/08	10:14 a.m.	Called to voice her opposition to the outer loop.
