New Braunfels Outer Loop Study

After several months and numerous meetings with the public, the Texas Department of Transportation (TxDOT) is ready to receive comments on the recommended corridor. In February, TxDOT will present the recommended corridor to the Cities of New Braunfels and Schertz, Comal and Guadalupe Counties. These entities will then have the opportunity to accept the recommendation and adopt it into their Major Thoroughfare Plan (MTP). Please submit your written comments via mail, phone, fax, or e-mail.
