RESOLUTION NO. 2004-17

IN THE MATTER OF ENDORSING THE TEXAS DEPARTMENT OF
TRANSPORTATION TEXAS MOBILITY FUND PROGRAM AND RECOMMENDING
PROJECTS WITHIN COMAL COUNTY;

WHEREAS, the Texas Mobility Fund has been established by the 77th Legislature and approved by Texas voters; and

WHEREAS, the Texas Mobility Fund provides the Texas Department of Transportation a new source of money to build roads, which will be repaid by funds deposited to the credit of the Texas Mobility Fund; and

WHEREAS, the Texas Mobility Fund can be used to finance the construction of, or improvements to, state highways, publicly owned toll roads, and other public transportation projects; and

WHEREAS, based on current revenue projections, it is anticipated that the Texas Department of Transportation will be able to issue an estimated 3 billion dollars in bonds; and

WHEREAS, when feasible, every effort will be made to leverage the Texas Mobility Fund to construct toll facilities; and

WHEREAS, with the exception of US 281 and IH 35, Comal County does not have any State highways that could be considered *toll viable* ; and

WHEREAS, the objectives of the Texas Mobility Fund Strategic Plan are:

- 1) the acceleration of statewide improvements (preferably previously requested, locally supported projects) to reduce congestion, improve safety, and promote/expand economic development, and
- 2) the maximization of limited transportation dollars to accomplish the first objective; and

WHEREAS, Comal County has *locally supported* and *previously requested* numerous improvements to the State highway system in Comal County; and passed and approved resolutions for the last 11 years requesting said transportation improvement projects that would *reduce congestion, improve safety, and promote/expand economic development*.

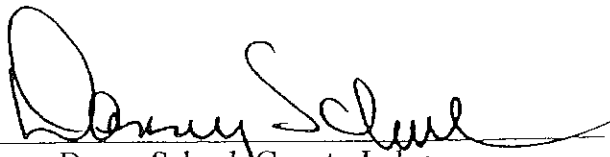

WHEREAS, the Resolutions were hand delivered to representatives of the Texas Department of Transportation during local Transportation Improvement Plan hearings and said Resolutions are listed below and attached as Exhibit "A";
