12. The overall process that the Task Force is using is effective in bringing diverse views together to come up with recommendations for inclusion into the Draft Study Report.	10	2	1

Comments:

- Good to do group exercise opened discussion.
- Great facility – much better sound than in NB Civic Center
Great facility – perhaps use as option when NBCC is booked.
Good group exercise!
- Any information on how WG’s decided to delete or settle on routes chosen. Things went much better this meeting. The agree/disagree activity does help show and form thoughts more clearly. Speakers did good job in explaining information. Look forward to screening time.
- The facility type illustrations and examples were helpful. Landowners would appreciate the minor arterial or principal arterial. Gives them more access.
- This meeting was far less contentious and much more productive than nearly all previous ones. Let’s keep it up!
- Jan 9th provide meals?
- Guadalupe Co. Regulations like Tom shared about Comal County.
Definitive info if City of NB ETJ is exempt from dev. Regulations
Please send next meeting info sooner than last month
